OFFICE OF THE
CHIEF OF POLICE

Mr. Thomas Reddin, Chief
Los Angeles Police Department
Los Angeles, California 90012

Dear Chief Reddin:

One of my constituents sent the enclosed clipping to me which contains the story of a young boy in Juarez, Mexico, who was arrested because he had in his possession a letter indicating prior knowledge of the assassination of Senator Robert F. Kennedy. The boy was later found hanged in his prison cell.

My constituent states in his letter, "Since both the prosecution and defense of 'Sirhan' agree that he acted entirely alone, I think this article is quite interesting."

I would appreciate it very much, if you do have any information on this, and it ever is released, if I could have a report on it.

Thank you for your attention in this matter.

Sincerely yours,

James B. Utt
