

CALIFORNIA STATE ARCHIVES
Research Room Procedures

THANK YOU FOR HELPING US PRESERVE CALIFORNIA'S ARCHIVAL RECORDS!

The Archives reserves the right to refuse or revoke research or copy privileges if these procedures are not followed. No exceptions are allowed.

Registration. Please check in at the Reception Desk and complete a researcher registration form. Proceed into the Research Room and hand the registration form to the Archivist on duty.

Hours. The Research Room is open to the public Monday through Friday (holidays excepted), from 9:30 a.m. to 4:00 p.m. Records will not be retrieved after 3:30 p.m.

Services. Photocopies are available for a fee. Archives staff can usually complete copy orders of up to 50 pages while waiting. Copies may be made by private copy services with prior approval by the Reference Coordinator. Bound volumes, fragile documents, and oversized materials may not be copied by private copy services. All copy vendors **MUST** speak with an Archivist prior to beginning work.

Lockers. Personal belongings (e.g. coats, jackets, water bottles, umbrellas, bags, purses, briefcases, computer covers/cases, folders, hand sanitizer, etc.) must be placed in lockers or coat closets located in the Research Room reception area. Only paper, pencils, and approved equipment are permitted at research tables.

Equipment Use. Hand-held digital cameras **without the flash**, personal computers, photocopiers, scanners, and tape recorders may be used **ONLY** with the prior permission of Archives staff. Automatic feed features or stack feeders cannot be used to copy documents from the State Archives' collection. Handheld scanners are not allowed. Bound volumes, fragile documents, and oversized materials may only be copied by Archives staff.

Care and Handling. Please exercise all possible care to prevent damage to the records. Records may not be leaned on, written on, folded anew, traced over, or otherwise handled. Research tables in full view of the Archivist. Photocopies must be made at the Archives.
