

Part 7-2e clarification

Page 12, paragraph 3 should read:

It will be remembered that each member of the Sirhan family had signed a pre-trial book contract in which the proceeds from the sale of the *Kaiser* book was to pay for *certain* legal expenses first, etc.

Note: The Robert Blair Kaiser book *RFK Must Die* contract is not to be confused with McCowan's own book interests as seen on page 169.
